MEMORANDUM FOR: Legislative Counsel

SUBJECT: S.867, A Bill to amend the Life Insurance Act of the District of Columbia approved June 19, 1934, as amended by the Acts of July 2, 1940, and July 12, 1950

1. This bill amends the D. C. code to provide for additional coverages under group life insurance policies which may be issued in the District, including coverage of dependents.

2. Inasmuch as there has been no demand for life insurance for dependents of employees insured by GEHA, it appears that GEHA has no interest in this proposal at this time, even though the passage of the Bill could result in a modification of the GEHA, UBLIC group life insurance policy, to provide for coverage for spouses and minor children.

3. We would be interested in the progress of this bill but see no need for further action by your office regarding it.
